

## [Getting Help](#) [1]

### **First, read the documentation.**

Please [read the documentation](#) [2] and make sure that your question hasn't already been answered.

### **Next, ask the community.**

Mnemosyne has an active user community. [Visit the forum/mailling list.](#) [3]

### **Have an idea for a new feature in the software?**

[Suggest a new feature or vote on existing suggestions.](#) [4]

### **Think you found a bug in the software?**

[Report bugs here.](#) [5] Please make sure to list the exact steps that you followed to cause the error.

### **Have a suggestion regarding this website?**

Would you like to comment specifically about this website and not the software itself? [Send website feedback here.](#) [6]
